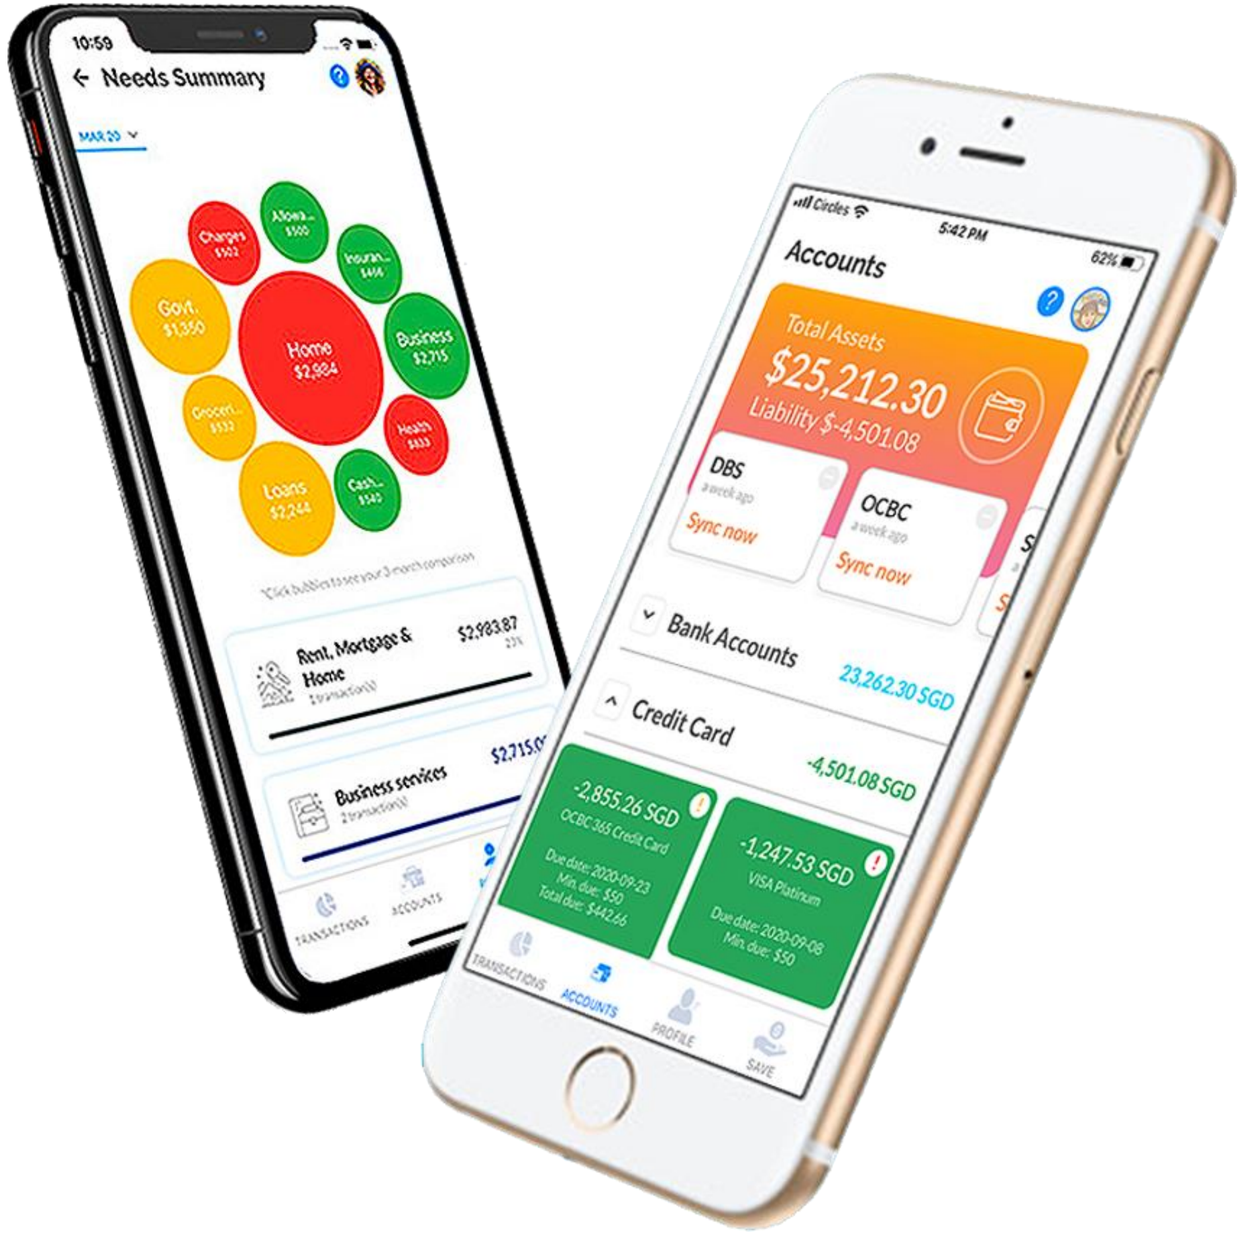
PERSONAL FINANCE AT YOUR FINGERTIPS

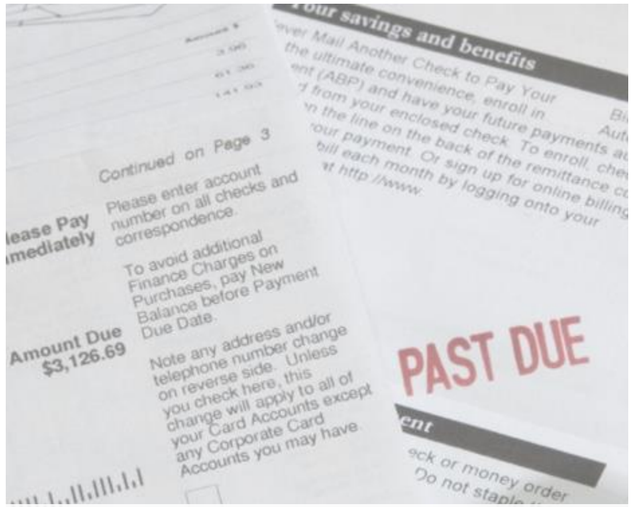


NTT

STARTUP CHALLENGE 2020

How do most people manage their money?

GET SALARY



PAY BILLS

SPEND

hello@financialbutler.asia

Yet, many don’t have enough emergency funds

Malaysia
76%

Singapore
66%

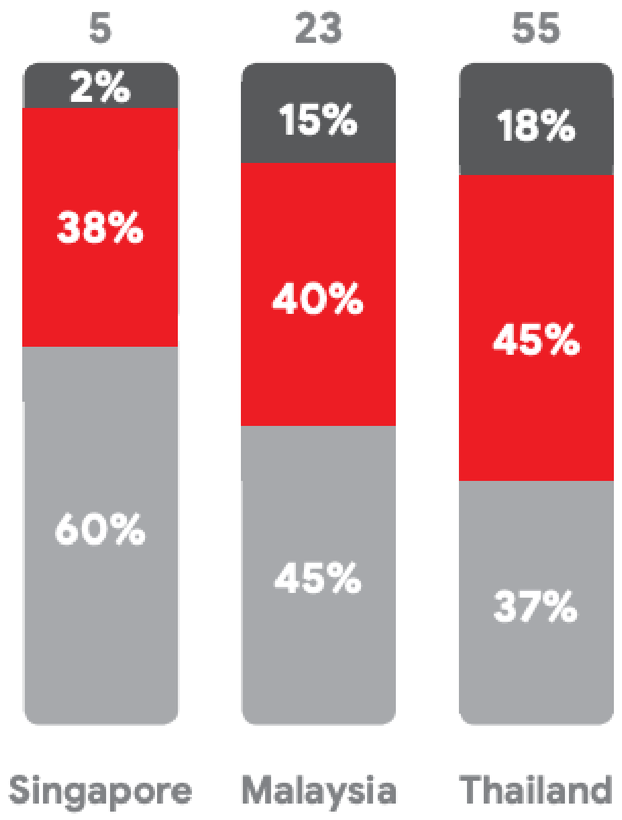
Thailand
80%

Do not have enough emergency savings (to last 6 months)

And many are still under-insured

Underbanked:
Not well-served in financial services or have unmet needs

No access to credit cards, underinsured, no long-term savings products



Note: Population of individuals above age 18
Sources: Euromonitor; World Bank; Bain and Temasek

Is there a better way to manage money?
